Email: manpreetsinghgill.gill@gmail.com | Phone: +91-9285494195

Profile

Seeking a fulfilling role in a reputed healthcare organization where I can contribute as a comprehensive urologist, offering expertise across a broad range of urological care, including endourology, laparoscopic surgery, Robotic Surgery, Andrology, Renal Transplantation and minimally invasive techniques for various urological disorders. I am a dedicated and enthusiastic Urologist with a passion for delivering patient-centered care and addressing complex clinical challenges. Adept in open, laparoscopic, Robotic and endourological surgeries, with a keen interest in research, academic contributions, and advancing surgical expertise with an insatiable hunger to continued learning and progress .

Education-

- MCh Urology (April 2022 - April 2025)
- DrNB Urology (October 2025)
- Intuitive certified Robotic Surgeon
- MS General Surgery - Gajra Raja Medical College, Gwalior (2017 - 2020) [Gold Medal]
- MBBS - Bidar Institute of Medical Sciences, Bidar (2010 - 2015)
- CBSE Board (XII) - Kendriya Vidyalaya, AFS Yelahanka, Bangalore (2009-10)

Professional Experience- 6 years

Associate consultant, Yashoda Hospital, Somajiguda, Hyderabad (May 2025 – Till Date)

Senior Resident (MCh Urology) Department of Urology, Gandhi Medical College, Hyderabad (April 2022-April 2025)

Senior Resident (Non-Academic), Department of Urology Gajra Raja Medical College, Gwalior (September 2020 - February 2022)

- Independently performed various urological procedures, including open, laparoscopic, Robotic, Renal Transplant and endoscopic surgeries.
- Managing preoperative and postoperative patient care.
- Clinical rounds and mentored junior residents and medical students.

Key Expertise & Technical Proficiency-

Expertise in Open Urology Surgery, Laparoscopic Urology Surgery, Robotic urology surgery (Including Uroncology and Reconstructive urology surgeries) and Endourology- Skilled in PCNL, TURP, URS, RIRS- Experience in managing Urological Trauma and Andrology including Microscopic surgeries.
